

Covid-19: Contractual Risk Toolkit

Kemp Little's Covid-19 Hub

With the ever-changing landscape of the Coronavirus pandemic and the evolving Government and market reactions, organisations are faced with the challenging impact of the outbreak on their employees, business operations, technology, governance and supply chains.

Click here to visit our Covid-19 Hub for our rapid response updaters and top tips on how to deal with the crisis.

Our offerings: Kemp Little Covid-19 Contractual Risk Toolkit

In addition to the Hub, we have designed a Toolkit which specifically supports clients in assessing and mitigating their Covid-19 contractual risks.

We typically provide the Toolkit package on a fixed fee basis to assist you to manage costs in these difficult times. Our initial 30 minutes consultation is free of charge.

The Contractual Risk Toolkit comprises:

Initial consultation	Free of charge
<ul style="list-style-type: none">■ A client action plan with steps to assess and prioritise your risks■ A suite of template documents to support the risk management process and effect contractual mechanisms■ Webinar training and Q&A session	Fixed fee
Support: we will also support you in customising template documents, answering queries and general advice	Fixed/agreed fee
Hotline: Access to our Covid-19 response group of experts	Fixed/agreed fee
